Areas of concern included

Permanent docks vs seasonal docks

Regulation beyond the OHWM

Allowing decks/platforms within the shoreland protection strip

Claire stated that she would review our ordinance and prepare recommendations for the above topics.

The Planning Commission members reviewed the minutes from the June 21, 2016 regular meeting. Ed Bajos made a motion, supported by Jim Rudolph to accept the minutes as corrected. Motion carried unanimously

Jim Rudolph reported on Township Board activities. In July the Township Board hired Becket and Raeder as the new planner, approved road work on Quarterline Road and within Bayshore, sent out bids for the sale of the cafeteria building, adopted a park ordinance, adjusted the ordinance officers hours and pay, and approved the purchase of one disc golf target. In August the BOT heard a presentation from Tip of the Mitt regarding septic tank inspection regulations, Michigan is the only State that does not have a State wide code. Only one bid for the sale of the cafeteria building was received and the BOT rejected it. Bids for the demolition of the cafeteria building will be sought. The township may switch EMS service from Emmet Co. to City of Charlevoix.

Zoning Administrator, Larry Sullivan presented a written report with an oral overview. Larry stated he will be working ten additional hours every week during the summer to deal with violations. Jim asked Larry to keep an eye on the blight problem on Townline Rd. Ed Bajos asked if Larry received a zoning application for an addition on Pincherry Rd. Larry stated he issued a permit.

Marilyn ~~More~~ **Morehead** made a motion, supported by Ed Bajos to schedule a public hearing for a PUD amendment within the Charlevoix Country Club, Blake Holding, LLC for an events barn on August 20, 2016.
